### IET101 Fall 2016 Course Schedule

Please save or print the following course schedule as you may need to refer to it often throughout the course. Please note that you are responsible for meeting deadlines and that no reminders will be emailed to you.

Generally, weekly reading units, quizzes and discussion questions are posted every Monday starting on Tuesday, October 11<sup>th</sup>, 2016 (as per the schedule below). We encourage students to read the materials and complete the quiz for one unit each week.

Due to a larger class size, **you will have access to quizzes from units 1 - 4 until Monday, November 14<sup>th</sup> at 11:55 pm**, at which time all quizzes for units 1 – 4 must be completed. Similarly, you will have **until Monday, December 12<sup>th</sup> at 11:55 pm to complete quizzes from units 5 - 8** before beginning the Final Exam. The Final Exam will be made available on Monday, December 12<sup>th</sup>. The Final Exam is the last requirement to complete the course and must be submitted by Sunday, December 18<sup>th</sup> at 11:55 pm. Should you fail to complete the first four units by the end of the day on November 14<sup>th</sup>, you will be de-enrolled from the course.
